4. Admission to exhibition:

JUSTLX shall be the sole and final judge of all applications and may accept or reject applications in its sole discretion. Final admission is contingent upon review and approval of an Exhibition Proposal. The exhibitor guarantees that all information in his/her application is accurate and that every work submitted for exhibition is authentic. Admission will be confirmed in writing. **JUSTLX** reserves the right to cancel any application that is accepted on the basis of false information or if the exhibitor fails to comply with these Conditions. The exhibitor is liable, and will indemnify **JUSTLX** for and from any and all loss or damage incurred by **JUSTLX** that is a result of any breach of these Conditions. **JUSTLX** has the right to require complete details of the exhibition proposal and reserves the right to prohibit the exhibition of any object that does not meet the requirements of the exposition. If necessary, the removal of such objects will be at the expense of the exhibitor.

5. Assignment of spaces:

The assignment of the exhibition spaces corresponding to each gallery will be undertaken by **JUSTLX**, who will carry out the task, taking into account the nature of the works to be exhibited, or following its own criteria and the date the application was received. Due to the amount and diversity of the spaces, the management of **JUSTLX** may assign alternative spaces to the proposal received in the application, depending on availability, the gallery owner being able to accept or reject the proposal. In the case that the gallery owner rejects the suggestion of the management and wishes to withdraw from the fair, the amount received by way of booking will be reimbursed, without the right to any subsequent claim. **JUSTLX** may, if necessary, change the location of allocated space, as well as alter the final layout of the booth if circumstances demand such measure. **JUSTLX** reserves the right to rearrange the layout of unoccupied areas, and to alter entrances and exits to and from the exhibition space, halls, and aisles.

The definite allocation of space will be communicated to the exhibitor once all the payments have been made.

The exhibitor must follow the criteria of the management and in the case of failure to comply with them, the management reserves the right to close down the stand without reimbursement to the exhibitor and the exhibitor will have no right to receive any amount in regard to compensation or whatever other reason.

Any increase or reduction of walls in the stand must be approved by the management of the fair.

In the event of default by exhibitor, **JUSTLX** shall have the right, but not the obligation, to lease the subject booth space to another exhibitor prior to the Exhibition.
